25th tRNA Conference

Event Type: Conference**Location:** Greece**Registration Deadline:** May 31, 2014**Abstract Submission Deadline:** None**Sep 21, 2014 - Sep 25, 2014**

Description of event:

25th tRNA Conference

the 25th tRNA Conference which will be held in Kyllini (Western Peloponnese), Greece in September 2014 at the Grecotel Olympia Riviera Resort.

Your participation will contribute to fulfilling the expectations for a meeting of excellence and high scientific level, in a place full of symbols. We also hope that we will encourage most of the young scientists in the field to participate actively and define its future.

our Conference to celebrate 50 years of tRNA research and 25 fruitful and stimulating meetings, but also to improve science, to renew our knowledge, to revive the friendly relations between us and create new ones.

the place that gave birth to the great ideas of the modern world and we hope that with your contribution and support, the 25th tRNA Conference will be in every aspect a great and memorable conference

Venue

The Conference will be held in Kyllini Patras, at the Olympia Riviera Resort. Patras is Greece's third largest urban area and the regional capital of West Greece, located in northern Peloponnese, 215 km (134 mi) west of Athens. The city is built at the foothills of Mount Panachaikon, overlooking the Gulf of Patras. Dubbed Greece's Gate to the West, Patras is a commercial hub, while its busy port is a nodal point for trade and communication with Italy and the rest of Western Europe. The city has two public universities and one Technological Institute, hosting a large student population and rendering Patras a major scientific centre with a field of excellence in technological education.
